#### **Dock Location**

The Red Sea Aggressor IV is docked in the Port Ghalib Marina, near the bridges.

**Port Clearance:** All passport and detailed information must be entered into the GIS (Guest Information System) and completed 7 days prior (USA time) to the departure date for port clearance.

#### **There are three options for transfers:**

- 1) Book a private transfer through Aggressor Detours [travel@aggressor.com](mailto:travel@aggressor.com)
- 2) Arrive Marsa Alam Airport OR Hurghada Airport on Charter Start Date: The Red Sea Aggressor IV offers a scheduled Saturday bus transfer for guests to/from Port Ghalib. Guests arriving to Hurghada on the Saturday charter date **prior** to bus transfer schedule / pick up times will receive a complimentary transfer from the airport to the shuttle waiting areas if you wish to take the shuttle bus option. Guests arriving to Marsa Alam Airport on the charter start date will receive a complimentary transfer from the airport to the yacht. (Transfer options **MUST** be noted in the GIS profile)
- 3) Already in Egypt: Meet at Aggressor shuttle waiting area for transfer to Port Ghalib OR meet directly at Port Ghalib at the yacht.

**Transfers on the Aggressor scheduled bus service from Hurghada to Marsa Alam have an additional fee which is to be paid locally by Cash USD, Euro, GBP or Visa/Master card.**

## **AGGRESSOR BUS TRANSFER SCHEDULE:**

- Departs 10 am from Red Sea Aggressor IV/V Office, 488 El Madares Street, Hurghada – Arrival 1:00 pm Port Ghalib

### **Red Sea Aggressor IV/V Office, 488 El Madares Street, Hurghada – Location**

<https://maps.app.goo.gl/nbZHV4Wf3Er3jgv7A>

If you arrive prior to the charter start date, you will need to make your own way to one of the transit locations to take the shuttle bus, arrange a private transfer through Aggressor Detours OR make your own way to the yacht.

**Complimentary Transfers:** Complimentary transfers must be booked at least **14 days** prior to the charter start date from the Marsa Alam Airport on the charter start/end dates to and from the Port Ghalib Harbor, where the yacht docks if you arrive on a flight from 8am-7pm. An English-speaking guide will be waiting for guests outside the airport.

**Note:** *If it is less than 14 days, you will need to make your own transportation arrangements or can contact the Aggressor Detours department to book a paid transfer.*

### **Transfers For Combining Red Sea Aggressor IV and the Nile Queen River Cruise**

For guests traveling on the Red Sea Aggressor IV combined with the Nile Queen River Cruise, transfers can be arranged for you and are scheduled at the below times. There is an additional charge for this, and reservations must be made at least 7 days in advance.

Nile Queen/Red Sea Aggressor IV: 10 am departure from Aswan to Port Ghalib to board the Red Sea Aggressor IV.

Red Sea Aggressor IV /Nile Queen: 6 am departure from Port Ghalib to Luxor to board the Nile Queen.

*Guests wanting to make their own arrangements or wait until their arrival to make plans are advised that it is not possible to make arrangements on the fly or choose to “join up” with new friends and share a transfer already booked. Due to Egyptian security regulations, these transfers require advance registration with Egyptian Government officials. The transfer company must provide trip specifics, including Number of Pax, Guests Names, Nationality, Departure Time, Hotel or Boat Name to/From, -Coach Information, Driver Name and Representative or Tour Guide Name in order to obtain written permission for the trip to occur. Because of this last-minute new reservations or changes to an existing transfer (such as changing departure times, revising the destination, or adding a new friend at the last minute) are not permitted.*

**Passports:** Due to new regulations to visiting the islands in the South the yacht will need to present a copy of each guest's passport 7 days prior to the yacht's departure to local authorities to secure permission for the guest to board. It is important for Aggressor to receive a scanned copy/email of the passport from all guests at least 10 days prior to the charter start date. Egyptian citizens must scan a copy of their ID and passport and send to our office no less than 14 days prior to arrival for port clearance. Israeli citizens are required to submit/upload a copy of their passport 30 days prior to the charter departure date.

**Required Diving Medical:** The Government of Egypt has recently begun enforcing regulations that requires all dive operations to obtain (certified and non-certified) a Diving Medical History form before allowing anybody to participate in recreational diving activities. The universal RSTC Medical History Questionnaire is acceptable.

If you answer YES to any of the medical questions, you will need to visit your local medical professional for an examination and obtain their approval (via their signature) before participating in recreational diving. A positive reason simply means that there is a preexisting condition that may affect your safety while diving and you must seek the advice and approval of a medical professional before engaging in diving activities.

**PLEASE BRING A COMPLETED COPY OF THIS FORM WITH YOU TO THE YACHT.** In some countries, divers are required to have a medical exam every year. If you already have a signed medical for

recreational diving (that may use a different form), dated less than 12 months from the date of your upcoming trip, then that will be acceptable as well. If you do not bring a completed copy of this form with you to the yacht, you will be required to complete it onboard. However, be advised that there are no medical facilities available nearby that can provide a medical consultation if needed. We strongly recommend that everyone take a moment to review and complete this form now - before your trips. ***The link will be emailed to you 60 days prior to departure or, you can print it by going to [www.aggessor.com/RSTCMedical.pdf](http://www.aggessor.com/RSTCMedical.pdf)***

## **ARRIVAL/DOCKING**

***Reservations are required for all transfers included in the price of your trip.***

Airport transfers are included and complimentary if arriving and departing from the Marsa Alam Airport on the charter start/end dates to and from Port Ghalib Harbor, where the yacht docks. If you are part of the complimentary transfer from the Marsa Alam Airport to the yacht, an English-speaking guide will meet and greet you to assist with your luggage inside the airport and another English-speaking guide will be waiting for guests outside the airport.

**- One-way Shuttle Bus transfers From Hurghada to Port Ghalib / Port Ghalib to Hurghada cost \$20 per person.**

Please be sure to include your arrival time and/or hotel reservations when completing your online paperwork through the GIS. **You must note if you wish to take the shuttle bus in your GIS under the travel section.**

Transfers are provided from the Marsa Alam Airport to Port Ghalib Marina when the guests arrive on the charter start date if the flight arrives from 8am to 7pm only. The transfer to the Marsa Alam Airport after the charter is for flights before 8pm. Check-out is 8am and clients needing a later transfer will need to meet at Divino Restaurant & Coffee Shop at Port Ghalib Marina to catch their transfer.

One-way transfers to or from Hurghada is \$143 for one guest and \$69 per person for 2 – 4 guests, larger group transfers can also be quoted. Please contact Aggessors Detours travel department at [travel@aggessor.com](mailto:travel@aggessor.com). *(Prices subject to change)*

If you are already in Marsa Alam, Hurghada or Port Ghalib and making your own way to the Red Sea Aggressor IV, she is docked at the Port Ghalib Harbor near the bridges and boarding starts at 3 pm for Brother, Daedalus, Elphinstone and St Johns itineraries. For Deep South Itinerary boarding is 2-4pm only. Please be sure to include your arrival time and/or hotel reservations when completing your online paperwork through the GIS. (Taxis can be arranged to other locations.)

We highly recommend arriving in Hurghada or Port Ghalib at least one day prior to boarding on Saturday. Sunday morning after the Port Authorities have checked all guests' passports and given clearance, no one can board the boat under any circumstances. Arriving early will not only help you get acclimated to the local climate but ensure a timely arrival and that all bags have arrived. No bags or guests can be delivered to the yacht after clearance is given.

## ***Saturday Charter End Date***

Saturday 8 am Check out and departure to Marsa Alam Airport or Hurghada International Airport. Estimated arrival to Hurghada International Airport is 12 pm. (14-Day advance notice for transportation reservations is required. Private transfers can be arranged.)

For those taking the shuttle bus to Hurghada, guests will depart Marsa Alam waiting area (Divino Restaurant & Coffee Shop at Port Ghalib Marina) then transfer to the airport for return flights. Bus departs Port Ghalib at 11 am and arrives Hurghada at 2 pm.

## **AIRLINE TRAVEL & CHECKED BAGS TO EGYPT**

Check with your airline or airlines (if traveling with more than one carrier) regarding luggage allowances, limitations and overage fees. Some airlines have seasonal restrictions to certain destinations that may limit guests to one checked bag or a maximum weight of all checked bags and prohibit extra pieces or overweight pieces. Paper copies of airline tickets should be hand carried, as some Egyptian airports still require these with confirmation numbers.

## **PORT GHALIB WATERFRONT COMMUNITY & HOME PORT**

The Port Ghalib Marina is home to the beautiful 141 ft., 26 passenger Red Sea Aggressor IV. The beautiful Port Ghalib waterfront community also offers restaurants. The Marsa Alam Airport is located 10 – 15 minutes away.

## **RED SEA AGGRESSOR IV INCLUDES:**

All staterooms are air-conditioned and fitted with private toilets, showers, sinks and hair dryers. Breakfast (cooked to order), lunch and an elegant meal at dinner with tableside service are served in addition to mid-afternoon snacks. Beverages (alcoholic and non-alcoholic) are complimentary while onboard. Linens are changed as requested and fresh towels are placed in each stateroom as needed. Filled tanks, weights and weight belts are included.

## **FEES & TAXES (USD)**

Upon arrival to Egypt, all guests must pay an entry visa of \$25 or a multi-entry visa for \$60. Prices are subject to change without notice.

At the end of the week, guests must pay a USD \$45 Port fee & \$105 Marine Park fee per person. (2 Marine Parks for either the Northern or Southern routes).

These fees are paid onboard the yacht and may be paid by Visa, MasterCard, or cash. (USD, EURO, English pounds or EGP - Egyptian pounds) The yacht cannot accept traveler's checks due to the banks in Egypt not accepting them.

There is a 14% Value Added Tax (VAT) required by the Egyptian Federal Law for all onboard billings for any retail or service added to your billing that includes port fees, marine park fees, dive courses, clothing sales, and nitrox.

\*\*\*Many countries that accept USD cash requires the bills to be in very good condition. Any that have excessive wrinkles, tears, wear marks and are old-style bills are not normally accepted\*\*\*

## **WELCOME**

In the event of an emergency, family and friends may contact the Aggressor Reservations Office. After hours they may call the Aggressor emergency cell number.

*We recommend guests arrive in Egypt prior to the start day of the charter. Once guests are onboard and the yacht is given clearance to leave the port by the local authorities, no one can board the yacht after this time or deliver any lost luggage. We recommend you prepare for this if you are scheduled to fly in the day of the charter by packing a mask, fins, swimsuit, change of clothes, medication and toiletries in your carry-on bag. Having these few items with you can make unexpected luggage delays more bearable.*

If departing from Marsa Alam Airport (RMF) guests cannot arrive earlier than 2 ½ hours prior to the departing flight. Please contact the Aggressor Travel Dept. if you are interested in a day room.

## **EXTENDED TRAVEL**

We highly recommend adding an extension to your itinerary prior to boarding the Red Sea Aggressor IV. There are several options to choose from. Visit [www.aggressor.com](http://www.aggressor.com) to learn more. Aggressor Detours is a division of Aggressor Adventures who specialize in booking air, tours, resorts and extended packages for guests.

**2 Nights Cairo** – Experience Cairo by night and fantastic day tours including visits to the Great Pyramids of Giza & Sphinx, the Egyptian Museum the Old Bazaar of Khan El Khalili.

**5 Nights Aggressor Nile Queen** – Visit the Karnak Temple, Luxor Temple, Valley of the Kings, Hatshepsut Temple, Valley of the Nobles, Colossi of Memnon and more aboard the intimate 16 passenger river boat.

## **PASSPORTS & DOCUMENTATION**

All travelers must have a passport valid for at least six (6) months beyond their period of stay, adequate funds to support themselves, and a return airline ticket when traveling. It is the traveler's responsibility to ensure they have the correct documentation for entry into each country on their itinerary, including any visas required, as well as documentation for re-entry to their home country.

Visa and entry requirements vary by destination and are subject to change. Travelers should check with the appropriate consulate or embassy of each country they plan to visit. U.S. citizens may refer to the U.S. Department of State website at [www.travel.state.gov](http://www.travel.state.gov) for passport and visa information, including requirements for children and consulate contacts by country. International travelers should consult the equivalent agency or foreign affairs office in their own country for destination-specific travel requirements and re-entry regulations. A useful resource for checking current travel, visa, and health requirements is the IATA Travel Centre.

Please note: There are specific requirements for children departing the United States, and many countries have adopted similar measures for child protection. The Reservation Office and staff cannot assume responsibility for passengers who do not have the correct documentation.

## **C-CARDS**

Remember to bring your c-card or proof of certification. The dive master requires proof of certification before the first dive. If you are a repeat guest, you are automatically enrolled in the Travel the World Club and will receive on board discounts. Your membership is indicated on the captain's rooming list.

## **GUEST INFORMATION SYSTEM (GIS)**

The Reservations Office and the Red Sea Aggressor IV require each guest to complete the Guest Information System (GIS) and Waiver prior to departure and boarding. The GIS allows guests to interactively complete all required paperwork that includes the application/waiver, special requests and travel information. If you haven't received a link to access the GIS, please contact an Aggressor agent. Passengers who fail to complete the GIS prior to boarding will be denied boarding. Many Aggressor destinations require passenger information for itinerary approval.

## **INSURANCE**

We strongly recommend each guest purchase a CFAR (cancel for any reason) insurance policy and Liveaboard Rider. To learn more about these policies; visit [www.aggressor.com](http://www.aggressor.com) and go to 'Insurance'.

## **HEALTH**

The Red Sea Aggressor IV has a first aid kit onboard, including oxygen and an AED. You may want to bring motion sickness medication if you feel you will need it. We suggest you bring over-the-counter motion sickness medication or consult your doctor about prescription brands, such as the trans-dermal patch or Scopace tablets. Currents and winds may cause moderate movement of the yacht at times. We recommend a complete physical before your trip. The nearest recompression chamber is located in Marsa Shagra which is 40 kilometers/24 miles from Port Ghalib and 20 kilometers/12 miles north of Marsa Alam.

The Red Sea Aggressor IV and their staff are unable to accept any medication brought onboard for safekeeping including those that require refrigeration. Should a guest have a medication requiring temperature control, they will need to travel with a travel cooling case or small storage cooler with several blue ice packets. The staff will be happy to store and recharge the blue ice but are unable to accept possession or responsibility for the proper care and storage of medication. This should be kept in the stateroom. There is **NO smoking allowed anywhere inside the boat or on the dive deck**. Smoking is only permitted on the rear of the sun deck.

## **VOLTAGE ABOARD THE YACHT**

The voltage aboard the yacht is 220v and the plug sockets around the boat will accept American plugs. You should bring a voltage adaptor. Most electrical devices are either 110 or 240 volts (look on your cable on the charger that plugs into the wall to verify).

### **INTERNET/EMAIL/PHONE**

Wi-fi is only available when the yacht is at port or in the Marina. Email and satellite phone are not available onboard.

### **FOOD**

Aggressor yachts, river cruises, signature lodges and floating resorts operate in remote locations which limits the availability of certain foods and edibles, which can be unavailable in grocery stores and markets. While our culinary teams strive to accommodate individual requests, it is important to recognize that they cannot guarantee it despite their best efforts. Guests with dietary restrictions and food allergies should be aware that the same meal is prepared for all guests, making cross-contamination a possibility. Based on this, travelers should plan accordingly and bring pre-packaged goods if needed. The availability of fresh produce may vary weekly, and they may have a limited selection depending on the destination and availability. The concept of "organic" is infrequent, and items like "gluten-free" products are seldom found in these remote locations.

The menu aboard is varied and plentiful, with a variety of Egyptian feasts and local cuisine. If you have any special dietary requirements, please add this to your reservation through the GIS and speak to the yacht chef once onboard so he/she can adequately prepare to meet your needs. You will wake up to fresh fruits, hot entrees, cereals and juices. Lunches feature hot soups, homemade breads, salads and sandwiches and/or entrees. Dinners are chef prepared and served each evening and include salads, vegetables, seafood, beef or chicken with a fresh homemade dessert.

### **BEVERAGES**

The Aggressor's selection includes fruit juices, soft drinks, iced water, iced tea, coffee, and a limited selection of local beer and wine, which are complimentary. We suggest you purchase your favorite liquor (s) from the duty-free shop at the airport prior to departing to Egypt. Drinking and diving do not mix. Once you consume alcohol, you become a snorkeler until the next day.

### **CLOTHING**

Please plan to travel light, as on all live-aboard dive yachts, space is limited. We recommend that you pack your gear in soft luggage such as a duffel bag for easy stowage and to add to your comfort in your cabin. Clothing should be lightweight, comfortable sportswear and swimsuits are a must. A light sweater or jacket is ideal for evenings. Dress is always casual and informal. Additional items you may want to bring are sunscreen, sunglasses, a hat and walking shoes for your time on shore.

### **ENTERTAINMENT**

There is a variety of nightly entertainment, including diving, marine life identification presentations, movies, games and more. We have a selection of 400 classic movies that can be viewed in the boats salon or taken to your stateroom to watch. However, if you have a favorite movie, digital slide show or a video to share, we encourage you to bring it along. A small library of books for exchange is maintained onboard as well as marine life identification books for reference.

Whether it's your anniversary, birthday, honeymoon, wedding or you are celebrating a 100<sup>th</sup> dive; please let us know so the staff can celebrate your occasion. Kindly advise the US office prior to traveling so the staff is notified in advance.

### **DIVING CONDITIONS**

You'll be diving in water that averages 74°- 84° degrees or 23°- 29° C. Most guests make as many as 4 dives each day, so some sort of protection is needed. A 3mm wetsuit in the summer and 5mm in winter should be comfortable and adequate. We suggest divers bring safety items such as a Dive Alert, Safety Sausage, Nautilus Lifeline (Nautilus Lifelines available onboard for rent) and any other safety items you feel necessary. Dive computers are mandatory so please bring yours or complete the dive computer rental form in the GIS.

### **DIVING**

The staff of the Red Sea Aggressor IV, with their unique combination of talents, offer the ultimate in service. While onboard you may pick a buddy of your choice. There is ample storage space for your diving equipment. The Red Sea Aggressor IV offers 12-liter aluminum tanks, weight belts, and weights and has both K-valves (American type), and DIN (International) valves.

There are three itineraries to choose from in the Southern Red Sea. The island itinerary to the **Brothers, Daedalus and Elphinstone** consist of mainly drift diving from the Red Sea Aggressor IV's two 6.5 meter/21 ft. long skiffs. They are each capable of carrying up to 10 guests for quick access to even the most remote dive sites. Guests may dive up to 3-4 dives per day on this itinerary.

The **St John Reef** itinerary has a mixture of 20% island drift diving from the skiffs and 80% protected coral reef and cave diving from the back of the mothership. This itinerary also offers swimming with a large pod of dolphin on one day of the charter. In between dives, you may snorkel, or just relax with a cold drink and mid-morning/mid afternoon snack. Guests may dive up to 3-5 dives per day including night diving when possible. *(Subject to change due to weather conditions)*

We suggest you pack the following: mask, fins, snorkel, and regulator with visible pressure gauge, depth gauge, dive computer, and buoyancy compensator. Strongly recommended: Spare mask, a dive watch, dive light, safety sausage with 20 feet of line, whistle, Dive Alert, mirror and/or other safety devices. Each piece of gear should be marked with waterproof paint or tape. Please note that the safety sausage (SMB) and reel are mandatory. You can rent the set for \$20 per week or purchase the set on the yacht for \$65 if you do not have your own.

Please see our "Adventure Log" on our website for current diving conditions.

The Egyptian Government forbids tourists from carrying drone aircraft into the country. If you do enter Egypt with a drone aircraft, the Egyptian Government warns they will confiscate the drone. DPV's are not allowed in Egypt. Diving amenities include the offer of unlimited Nitrox which is \$100 7-nights/ \$150 10 nights.

## **DIVING SUPERVISION**

We understand that diving is not just an activity; it's a passion for exploring our underwater world. That's why we empower you and your buddy to take charge of your diving experience. While in the water, you and your buddy are in charge. Every dive begins with a comprehensive briefing from our experienced staff, providing you with the necessary information. As certified divers, you and your buddy are responsible for planning and conducting your dives while respecting the limits of your experience and those set by the briefing and your certification agency. We do not directly supervise divers; each buddy team manages their own dive.

In the Red Sea, dives are conducted from a tender or from the back of the main yacht. When diving is directly off the yacht, at least one staff member will be in the water offering support, underwater photography and videography, and critter spotting services. On select dive sites, a staff member may assist a group in finding specific points of interest.

When diving from a tender, a staff member will accompany each tender group and be in the water to offer assistance and ensure the group stays together. If a buddy team needs to surface early, the entire group is not required to abort the dive and follow. The buddy team should follow the briefing and their training procedures for surfacing from a dive and signal the tender driver that everything is OK once on the surface. Once the dive time expires (per the briefing), the staff member will organize the remaining buddy teams to surface together for pickup by the tender.

## **USE OF ELECTRIC SURFBOARDS & SIMILAR DEVICES:**

For the safety of our guests, staff, and the marine environment, electric surfboards (e-foils, jetboards, powered surfboards, and similar devices) are not permitted on any Aggressor Adventures yacht or destination.

Thank you for helping us maintain a safe and environmentally responsible adventure for everyone.

## **GREEN THE FLEET**

Contribute to our Green The Fleet sustainability initiatives. Here are a few reminders:

- Avoid traveling with single-use plastics.
- Remove packaging from any new purchases before traveling.
- Travel with a refillable water bottle for hydration.
- Use rechargeable batteries.
- Use an environmentally safe sunscreen.
- Be environmentally conscious in everything you do.

## **CONSERVATION LAWS**

The yacht does not permit spear guns, Hawaiian slings or collecting on any of the yachts. DPV's are not allowed in Egypt.

### **RENTAL DIVE EQUIPMENT**

A full line of Mares rental gear is available aboard including regulators, BCDs, Dive Computers, and Night Lights. If any of your dive equipment fails while onboard, the staff will loan you equipment free of charge, compliments of Mares.

We strongly recommend bringing your own wetsuit to ensure optimal comfort and thermal protection during your dives. This destination does offer rental wetsuits. The storage space on the liveaboard is limited, meaning we can only stock a few sizes for men and a few for women. Since wetsuit fit is highly individual and crucial for both comfort and warmth, bringing your personal wetsuit will provide the best diving experience. Other rental equipment is readily available, but the unique nature of wetsuit sizing makes this piece particularly important to bring along.

### **CERTIFICATION & SPECIALTY COURSES**

Further your education while onboard an Aggressor yacht! The following courses are offered onboard: SSI Adventurer Course or the PADI equivalent Advanced Open Water Diver Course, and SSI or PADI Enriched Air / Nitrox Courses. Course fees are payable once onboard and the instructor confirms the course. The training agency utilized to provide your course will vary based on your instructor's affiliations. Other specialty courses may be available onboard and will be presented to you after your arrival as part of your initial briefings.

### **PHOTO/VIDEO/DIVE EQUIPMENT**

The Red Sea Aggressor IV offers photography coaching while onboard. The Red Sea Aggressor has a charging station and a large camera table available for your camera and video equipment. ***Please refer to our web site, [www.aggressor.com](http://www.aggressor.com) for detailed information and costs of dive equipment rentals, certification courses, and large tanks.*** The Video Professional can capture your diving adventure onboard the Red Sea Aggressor IV to share with family and friends. The video of the week (includes all guests and staff) is \$65 US.

### **SHIPS BOUTIQUE & CREDIT CARDS**

There is a mini boutique onboard with assorted t-shirts, and miscellaneous items. The Red Sea Aggressor IV accepts cash, Visa and MasterCard. (no personal checks or travelers' checks) We will charge you for all your purchases including the park and port fees on the last day of your charter when you arrive back to Port Ghalib. After returning home if you still want boutique items, please visit the Aggressor online boutique at [www.aggressor.com](http://www.aggressor.com).

### **GRATUITIES**

Staff gratuities are not included in the charter. We believe gratuities should be voluntary and based upon the quality of service the staff has provided. When settling your account, the captain will have an envelope for gratuities that will be divided equally among the staff. Payment can be made by cash (USD, Euros, English pounds or EGP - Egyptian pounds), Visa/MasterCard.

Traveler's checks or personal checks are not accepted. (Egyptian banks don't accept them)

### **FRIDAY (7 Night Trips)**

The Red Sea Aggressor IV returns to Port Ghalib Friday afternoon between 2 – 4 pm. A sunset cocktail party will be held then guests will go ashore for dinner at one of the restaurants in Port Ghalib. Dinner Friday night is the only meal not provided with the cruise. After the Red Sea Aggressor returns to port guests may also visit Port Ghalib for shopping and nightlife.

### **CHECKOUT SATURDAY MORNING**

Checkout time is at 8:00 am Saturday morning.

### **ADVENTURE LOGS**

Each week we post the Adventure log of the previous charter on the website. Please feel free to visit [www.aggressor.com](http://www.aggressor.com) and go to the Adventure log to find out water temperature, visibility, and sightings.
